THROUGH CHILDREN'S EYES

Why be a sponsor?

More than a sponsorship, a commitment to remembrance in a time that matters most.

ABOUT THE DOCUMENTARY

After years of effort to film on location, *Through Children's Eyes* is a powerful multimedia documentary concert by composer David Shukiar, set to the poetry and drawings of children imprisoned in the Terezin (Theresienstadt) concentration camp during World War II.

ART REIMAGINED

The work transforms the voices and art of these young inmates into an original musical score, accompanied by evocative visuals, to convey their hopes, fears, and resilience in the face of unimaginable hardship.

ENDURING TRIBUTE

The documentary and concert serve as a tribute to the creativity and courage of children lost to the Holocaust. The work is both a historical record and a living memorial, blending music, poetry, and visual art to honor their legacy.

ABOUT THE COMPOSER, DAVID SHUKIAR

"As I composed the music for this piece, these children came to life for me. I could see their faces and hear their voices," said David Shukiar.

His music has been performed in synagogues, concert halls (including Lincoln Center and Carnegie Hall), theaters across North America and Israel, and has also been featured on HBO's *The Rehearsal*.
